

# NAEC Family Update

JANUARY 28, 2024

Three days of bus cancellations made last week quite unusual. The timing was not ideal with Secondary exams about to begin but we will be able to complete our exam schedule this week. The weather forecast looks hopeful that we won't have any more delays. With the pushback of the Secondary exams, Secondary report cards will now be sent home on Friday, February 16th.

This week we will also be saying goodbye to Mrs. Morrow who is moving to a contract position at Odessa PS on Thursday. Mrs. Morrow will share this with students Monday. We thank her for her commitment to NAEC and know her students will miss her.
