

ATTENTION

Parents/caregivers!

Students in Ontario are required to have up-to-date immunization records submitted to public health. Health-care providers do not automatically send immunization records to public health units.

To submit your child's immunization record, visit **SoutheastPH.ca/immunization-reporting** or scan the QR code.

If your child requires an immunization appointment and does not have a health-care provider, visit **SoutheastPH.ca/appointments** or scan the QR code.
